

JOB POSTING: 2019-023 **POSITION #:** _____

JOB TITLE: CH47 Mechanic – Rotational Position

COMPANY: Coulson Aviation (USA) Ltd.

REPORTS TO: Chief Inspector – No Relocation Required

ABOUT THE COMPANY:

At Coulson, we know that our employees are our strongest asset. Guided by a successful past and a long-term innovative vision for growth, our future success will be driven by our people and our strategic approach to our work.

Aircraft fire fighting and developing new industrial technologies are much more than pieces of metal and components; we at Coulson are determined to make a difference saving lives and homes. In addition, we strive to improve the environment we share globally.

Family owned and operated since 1960, the Coulson Group of Companies began with Forestry in British Columbia. During the 1990s, Coulson expanded into Aviation and, led by a pioneering management team, we have become one of the foremost Aviation Fire Fighting Companies in the world. We operate in the USA and Australia, and we expect to expand to other countries around the world.

In addition to Aviation, Coulson has pursued other endeavors, the most recent of which has been Coulson Ice Blast, an industrial cleaning technology that has applications in many industries. In fact, Coulson was recently recognized with awards for our ground-breaking technology.

WHAT WE'RE LOOKING FOR:

Coulson Aviation USA has an **Entry Level** opening for a CH47 Mechanic. We operate a fleet of aircraft that includes: 737, C130, S61, S76, UH60, and CH47 aircraft, primarily in a firefighting capacity (USFS, Cal Fire, Australia). We offer industry competitive pay and benefits with 401K, overtime, travel, lodging, per diem, and health insurance. This 14 days on / 14 days off rotational position does not require you to relocate. You can live anywhere in the USA as we will cover the cost for you to travel to and from your Home.

We are searching for a hardworking candidate with a very strong attention to detail.

No Rotary wing experience required. Now accepting Entry level A&P Mechanics!!

Job Duties:

- Must travel with aircraft when needed
- All aspects of hangar and line maintenance
- No rotary wing experience required
- Willing to learn and take direction from Senior Mechanics
- Reports to Crew Chief

Requirements

- Valid FAA A&P certification
- Valid Drivers' License and Passport
- Willing and able to travel internationally
- Must have own basic hand tools

Additional experience, education and/or skills

- Security background check may be required.
- Aviation knowledge is required.

HOW TO APPLY:

Please submit your resume with a cover letter outlining your experience and salary expectations to jobs@coulsongroup.com. Please quote "2019-023 – CH47 Mechanic" in the Subject line.

We would like to thank all applicants in advance for their interest; however, only those selected for an interview will be contacted.

BENEFITS:

In addition to a competitive salary, Coulson provides excellent benefits as part of its Total Compensation Package. These include medical and dental benefits, 401K, accommodations, per diems, and travel to / from your Home. Moreover, Coulson Group values and strongly encourages its employees to maintain a positive Work-Life Balance, creating an environment that champions creativity and autonomy.

We are proud of our team and encourage a respectful workplace where everyone is treated with dignity and all ideas are welcome. Moreover, we support growth within the company and provide opportunities for advancement.
