

IJOB POSTING: 2020-041

JOB TITLE: Quality Control Inspector

COMPANY: Coulson Aviation

REPORTS TO: Quality Assurance Manager or Director of Maintenance

ABOUT THE COMPANY:

Global Leaders in Aerial Firefighting

Coulson Aviation (Coulson Aircrane Ltd.) is a privately owned family company based in Port Alberni, British Columbia, Canada. The company has over 160,000 safe flight hours and has been in the aviation business for over 36 years; operating a diverse fleet of both fixed wing and rotary wing aircraft. The company's operations have included helicopter logging, forest fire suppression, power-line construction, airliner passenger transport and many other industrial heavy lift operations. The fleet is geared for mobility and self-sufficiency and is supported by mobile fuel tankers and aircraft maintenance service vehicles staffed with qualified engineers. These aviation services are provided to clients on a "turnkey" basis.

Coulson Aviation (USA) Inc. was founded in 1990 as a wholly owned subsidiary of Coulson Aircrane Ltd. From 1990 to 1993 Coulson Aviation (USA) provided the personnel for extensive heli-logging operations in Alaska. In the succeeding years, Coulson Aviation (USA) purchased its first C-130 Hercules that currently holds contracts within the United States and Australia. A second C-130 Hercules was acquired for the program in 2015 to accommodate the growing need for large air tankers.

Coulson Aviation (Australia) Pty Ltd was created in 2010 to support Coulson Aviation's long-term operations and commitment to its Australian customers. It was setup as a wholly owned subsidiary of Coulson Aircrane Ltd. to provide aircraft personnel for Coulson's rotary and fixed wing aircraft operating under contract in Australia for Firefighting and offshore oil applications.

Coulson Aircrane Ltd. (Port Alberni, BC) operate a Business and Quality Management System certified to ISO 9001:2015 + AS9100D for the manufacturing of parts and assemblies, including post-delivery support.

**WHAT WE'RE LOOKING FOR:**

We are looking for Quality Control Inspector to join the Coulson Aviation team. The Quality Control Auditor is responsible for conducting quality control audits and inspections of aircraft and helicopters. This role ensures compliance with internal policies, customers and regulatory requirements.

The successful candidate will provide oversight on the floor during maintenance and mods. Based out of Port Alberni, BC, the Quality Control Inspector will also be expected to travel to work scopes to our fixed and rotary wing aircraft.

PRIMARY DUTIES:

- Perform quality control audits and inspection of fixed and rotary wing aircraft. As well as maintenance bases and remote operations to ensure compliance with regulatory and contractual requirements.
- Report audit and inspection findings to management for further action.
- Audit maintenance documents and ensure compliance with regulatory and contract requirements.
- Raise findings and opportunities for improvement (OFI's) of maintenance activities.
- Responsible for monitoring the timely implementation of preventive and corrective actions raised as a result of findings and OFI's.
- Enforce company policies and procedures with respect to performance of maintenance and maintaining the maintenance bases to the highest standards.
- Participate and report findings in the company SMS Program, as applicable.

KEY REQUIREMENTS:

- Minimum of 2 years working on aircraft or performing inspection on aircraft
- Technical Degree in Aviation Preferred
- AME or A&P License Preferred
- Certification in Auditing Preferred

HOW TO APPLY:

Please submit your resume with a cover letter outlining your experience and salary expectations to jobs@coulsongroup.com. Please quote "2020-041 – Quality Control Inspector" in the subject line.

We would like to thank all applicants in advance for their interest; however, only those selected for an interview will be contacted.

BENEFITS:

In addition to a competitive salary, Coulson provides excellent benefits as part of its Total Compensation Package. These include medical and dental benefits and pension. Moreover, Coulson Group values and strongly encourages its employees to maintain a positive work-life balance, creating an environment that champions creativity and autonomy.

We are proud of our team and encourage a respectful workplace where everyone is treated with dignity and all ideas are welcome. Moreover, we support growth within the company and provide opportunities for advancement.

We support diversity, equity and a workplace that is free from harassment and discrimination. We are committed to providing accommodation for people with disabilities. If you require accommodation through any element of the application process, please notify us and we will work with you to meet your needs

PORT ALBERNI:

Port Alberni is a jewel nestled in the Alberni Valley on Vancouver Island. The city and surrounding area offer many outdoor activities such as water sports, camping, hiking, snowshoeing, and others. With lakes, the Inlet, and mountains all around, you will never run out of things to do here. There is a movie theatre, and many shops owned and operated by residents. You will also find some of the most delicious seafood right here in town at one of our many local restaurants.

If you are looking for a quick weekend getaway, Tofino and Ucluelet are a mere two-hour drive west of town. If you are not looking for waves, Nanaimo is only an hour east, and Victoria is less than three hours south. Both offer big city shopping opportunities in addition to a wide variety of arts, entertainment, dining, and cultural activities. The Comox Valley is an hour northeast of the Valley, offering mountain biking, skiing, caving, and other outdoor activities. And cannot miss the mountain goats on the roof at Coombs!

Centrally located, Port Alberni offers you the benefits of a small town – affordable real estate, anyone? – with the ability to play outside and experience big city life nearby.
