**JOB TITLE:** Lockheed C-130 Mechanics and/or Crew Chiefs

**COMPANY:** Coulson Aviation (USA)

**REPORTS TO:** Chief Inspector/ Fleet Manager/ General Manager

---

**ABOUT THE COMPANY:**

At Coulson Group, we know that our employees are our strongest asset. Guided by a successful past and a long-term innovative vision for growth, our future success will be driven by our people and our strategic approach to our work.

Family owned and operated since 1960, the Coulson Group of Companies began with Forestry in British Columbia. During the 1990s, Coulson Group expanded into Aviation and, led by a pioneering management team, we have become one of the foremost Aviation Fire Fighting Companies in the world. We operate in the USA and Australia, and we expect to expand to other countries around the world.

In addition to Aviation, the Coulson Group has pursued other endeavors, the most recent of which has been Coulson Ice Blast, a unique industrial cleaning technology that has applications in many industries. In fact, we were recently recognized with awards for our ground-breaking technology being the most efficient and environmentally friendly industrial cleaning tool in the industry and the first manufacturer to produce a machine that can blast with real ice cubes.

We at Coulson Group are determined to make a difference in everything we do with an eye toward a sustainable future.
